

**LEGAL NOTICE**

**STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.**

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1<sup>st</sup> Floor, LaSalle Building, 617 North 3<sup>rd</sup> Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, AUGUST 26, 2008**, upon the application of **FRANKS OPERATING COMPANY, LLC**.

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Haynesville Zone, Reservoir A**, in the Logansport Field, DeSoto Parish, Louisiana.

1. To establish rules and regulations and create one (1) drilling and production unit for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A.
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed unit for the Haynesville Zone, Reservoir A, in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate a unit well and unit operator for the proposed HA RA SUK, as appropriate.
4. To provide that future wells drilled to the Haynesville Zone, Reservoir A, should be located no closer than 330 feet to any unit line and no closer than 600 feet to any well completed in, drilling to, or for which a permit has been granted to drill to the Haynesville Zone, Reservoir A.
5. To provide that with respect to future horizontal wells drilled to the Haynesville Zone, Reservoir A, in the proposed unit, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary will be calculated based on the distance to the nearest perforations in the well, and not based on the penetration point or terminus.
6. To permit Applicant to combine downhole or within wellbores production from the Haynesville Zone, Reservoir A, underlying the proposed unit with Hosston Zone production underlying HOSS SU57 and Cotton Valley Formation, Reservoir A, production underlying CV RA SUI or from any combination thereof, in any well drilled on these units in which the ownership interest in the units from which production is to be combined downhole are identical.
7. To consider such other matters as may be pertinent.

The Haynesville Zone, Reservoir A is to be defined as the stratigraphic equivalent that gas and condensate bearing interval encountered between the depths of 9,800' and 11,256' (electric log measurements) in the Comstock Oil & Gas-Louisiana, LLC - Caraway Estate No. 2 Well, located in Section 20, Township 12 North, Range 16 West.

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Shreveport**, Louisiana.
